

DOYLE DRIVE

Doyle Drive Replacement Project Informational Open House

Please join us for an informational open house in the Presidio of San Francisco to learn more about the Doyle Drive Replacement Project. The Doyle Drive team would like to provide you with an update on this project of regional importance.

Plans are underway to replace the aging Doyle Drive with a facility that meets modern seismic and design standards. The future project will feature a parkway design including two short tunnels, a wide landscaped median, enhanced pedestrian access and traffic calming transitions.

Agenda:

Open House	(5:30-6:00PM)
Presentation	(6:00-6:25PM)
Resume Open House	(6:25-7:00PM)
